Renee Nanneman's beloved French Bee print takes center stage in ***Cottage Bees***. The treasured bee pairs well with a fresh companion print in ***Cottage Clover***. Both collections feature 16 versatile colors that complement Renee's longstanding basic, *Cottage Cloth*. While ***Cottage Bees*** stands alone on a solid background, ***Cottage Clover*** echoes the softly textured background of *Cottage Cloth*. Together, these collections offer endless mix-and-match possibilities for quilts and projects with timeless cottage charm.
