As Amy's family was cleaning out her grandma's attic last March, she discovered a priceless find: a hand-pieced, hand-quilted double wedding ring quilt made of 1940s feed sack fabrics. It was most likely given to her grandparents as a wedding gift when they were married in the summer of 1948. ***Grandmas Attic*** is a love letter to Amy's grandparents—she recreated some of the feed sack motifs from her newfound treasure, complete with a double wedding ring print—as a lasting tribute to a love that endures.
