Backroad Blooms by Bellagia & Co. for The Quilted Cow

Jennifer Sannizzaro and Larissa Matranga are the mother-daughter duo behind Bellagia & Co., a heartfelt brand born from a lifelong love of creativity. They have decided to pour their shared passion for artistry and design into fabric. Jennifer and Larissa live in the Branson, Missouri area, where they have grown The Quilted Cow into a warm and welcoming quilt-shop franchise known for its cozy porch gatherings, hot cups of coffee, and a genuine sense of family at the heart of it all.

To honor the people who mean the most to them, they blended the names of Jennifer's three children and all six grandchildren, including Larissa's four children, to create Bellagia & Co., a name bursting with love, legacy, and a nod to their Italian heritage. Their fabric collections are designed to feel charming, nostalgic, and full of heart, with each pattern telling its own story. From the soft colors to the delicate illustrations, every detail is thoughtfully created to bring a touch of beauty and warmth into the hands of makers everywhere. Jennifer and Larissa hope their designs help sewists remember times past while creating new and cherished memories. The dream of Bellagia & Co. is that quilters and sewists will feel the same comfort and connection to the fabrics that Jennifer and Larissa felt while creating them...one heartfelt design at a time.
