# About the Celestial Garden Collection

@AlexandraBordallo

The Celestial Garden collection is inspired by the beauty of the night sky merging with the wonders of nature. It blends mystical lunar elements—moon phases, twinkling stars, and luna moths—with dreamy florals and enchanting mushrooms, creating a cosmic-meets-botanical aesthetic. Rich hues of purples, blues, teals, oranges, and pinks evoke the magic of twilight and celestial glow. Vintage-inspired florals and hand-drawn details add a nostalgic charm, reminiscent of retro garden prints infused with a stardust shimmer. This collection is perfect for those who love a mix of celestial whimsy and earthy enchantment.
