# About the Coastal Walk Collection

Designer Karen Lewis shares her inspiration for Coastal Walk: I have a real affinity for the coast and even though I sadly don't live by it, it is very much my happy place, so much so my children are known to mock me repeating "I love to be by the sea...it makes me feel so free"! My favourite thing is to be walking along the coast paths, preferably in the winter when there is nothing to distract but the nature and quiet all around.
