"Recently, I've been residing in New York, where inspiration finds me at every turn—from the striking architecture and intricate windows to the bridges that connect this incredible city. New York is a place where the ***Working Man***, the ***Material Girl,*** and the ***Little Dreamer*** can all find their own kind of magic. The ***New York Beauty Quilt Top*** captures the spirit, boldness, and endless possibility woven into the heart of the city. I'll always consider myself a ***Little Dreamer***, finding inspiration in the everyday details that make New York so extraordinary." –Edyta Sitar of Laundry Basket Quilts
