Composed of several beautiful elements with a nod to textiles like brocade, silk, and rugs, ***Tapestry*** is a collection that Andover's creative studio designed for quilters and sewists to weave their own story. Rich, deep colors in plum, teal, and indigo are balanced with parchment, sand, and verdant green.

Like life, ***Tapestry*** is lovely and complex, where every color, print, and choice creates a larger, unified picture.
