ADVENT
CALENDAR

1. Cut out the panel to include the seam allowance around the edge.

2. Fold along the top of each row of pockets (thin white line). Press.

3. Bring folds up as indicated on the sides. Press.

4. Tack or pin the folds in place. The pockets are not quilted.

5. Cut out the backing and wadding 4 inches larger than the size of the folded-up panel.

6. Place the backing right side down on a flat surface. Lay the wadding over it, then place the folded panel right side up on top of the backing and wadding.

Baste all layers together.

7. Stitch vertical lines through all layers down the centre of the strips between the pockets. Leave the tops of the pockets open.

8. Quilt the top section of the panel as desired.

9. Trim the excess backing and wadding to the outer edges of the folded panel.

10. Bind the edges of the panel and add either a hanging sleeve or loops.

Polar bears and penguins may live poles apart, but that won't stop them from being friends this holiday. In **Frosty Friends**, polar bears and their cute cubs frolic with cheeky penguins in a snowy storybook adventure, while the frosty blue palette is warmed with pops of bright seasonal colour.
