Gooseberry and Garland delivers the cozy feeling of Christmastime and the beauty of winter. The collection captures the simple joys, warmth, and nostalgia of the season. The soft color palette brings a timeless and sentimental feel to every project. Family is at the heart of everything for this mother-daughter design team. Subtle references to 1948 and Boston honor Jennifer’s late father and Larissa’s grandfather. Nelson, the darling goose, was named after a special member of the Andover Fabrics team.
