Merry Little Things is rooted in the joy found in small traditions that quietly become the heart of a season: bright moments, familiar decorations, memories tied to handmade things, and people gathered around them.

This collection is a celebration of those moments. It’s colorful, playful, bright, and nostalgic. Filled with cheerful ornaments, bottle brush trees, twinkling details, and joyful color, *Merry Little Things* is inspired by the little things that bring light during a busy season. Because often, the smallest traditions become the most treasured memories.
