Midnight Garden by Stacie Mar

Anastasiia Marmyzova, also known professionally as Stacie Mar, is a Ukrainian self-taught artist and surface pattern designer currently living in Canada. Her work blends delicate, heartfelt illustration with thoughtful color stories, aiming to bring warmth, comfort, and quiet joy into everyday spaces.

As a neurodivergent creative and war survivor, Anastasiia draws strength from her lived experience — rebuilding from silence, finding rhythm in uncertainty, and reclaiming her voice through art. Her designs reflect resilience and tenderness, encouraging others to discover beauty in life’s gentlest details.
