About the Moody Hues Collection

@NancyRink

Moody Hues spans the color wheel showcasing 30 luscious hues in a variety of small to medium prints. Six neutrals in creams and grays provide the perfect backdrop to mix and match the *Moody Hues* prints with each other or with your favorite prints from other Andover designers.

To develop the collection, Nancy employed the process she typically uses when building a quilt, playing with both color and value. *Moody Hues* includes deep darks, saturated midtones, and dusty lights, expertly designed to create stunning quilts.
