ADVENT CALENDAR

Sewing Instructions:

1. Cut out calendar panel around outer edge of the red border.
2. Carefully cut out the pockets along the solid black lines.
3. Press over seam allowance on the top edge of each pocket and top stitch.

4. Press side seams over on each pocket, and pin pockets to calendar panel, matching to numbered squares. Top stitch side and bottom edges of each pocket.
5. Back advent calendar with a co-ordinating piece of Makower fabric. We recommend using wadding in between top and backing layers to give more body. Stitch together.
6. To hang your calendar, attach loops to the top edge. You are now ready to fill your calendar with small gifts or sweets! Full Instructions available at www.makoweruk.com
