Beautiful hand-drawn illustrations bring the Christmas story to life in *Star of Wonder*. Mary, Joseph, and the Christ child gather under a brilliant star, joined by animals and the approaching Wise Men.

Touches of metallic combine with soft, storybook colours to give the collection a warm, special quality. Coordinating prints include desert landscapes with camels and travelers, as well as night-sky scenes filled with stars and angels. The Easy Sew Advent panel results in a fitting, handmade gift for anyone who wants to remember the true heart of the holiday.
