Century Solids Coordinates

As a child, Jessica Swift sported a nearly permanent Crayola marker stain on her left arm, from pinky to elbow. She grew up and, naturally, became an artist. Jessica creates colorful, uplifting artwork and manufactures her own products in her studio in Portland, Oregon.

She also collaborates with inspiring companies and publishers to create branded products such as fabric, stationery, puzzles, books, and more. She's the author of three books and teaches online classes on topics including intuitive art-making and pattern design.

Two rambunctious, creative young children call her mama. You can find Jessica on her website at www.jessicaswift.com and follow her on Instagram @jessicaswift.
