COLOR COMPASS

Quarterly and 12-Part Programs
Featuring the COLOR CAMP collection by Alison Glass

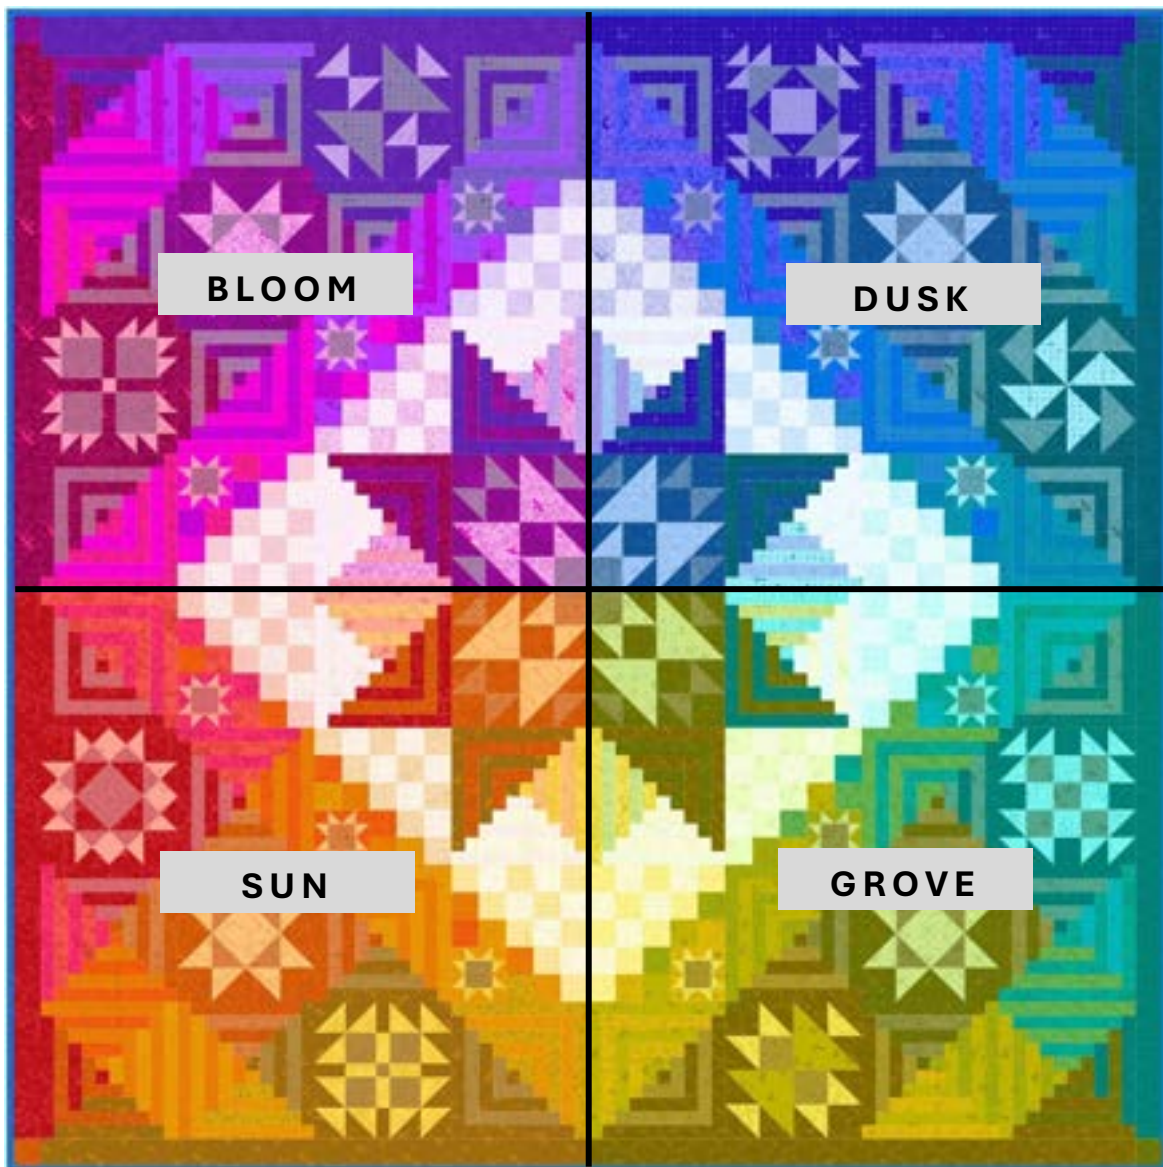

Finished quilt size: 84 x 84"

Dear Shop Owner,

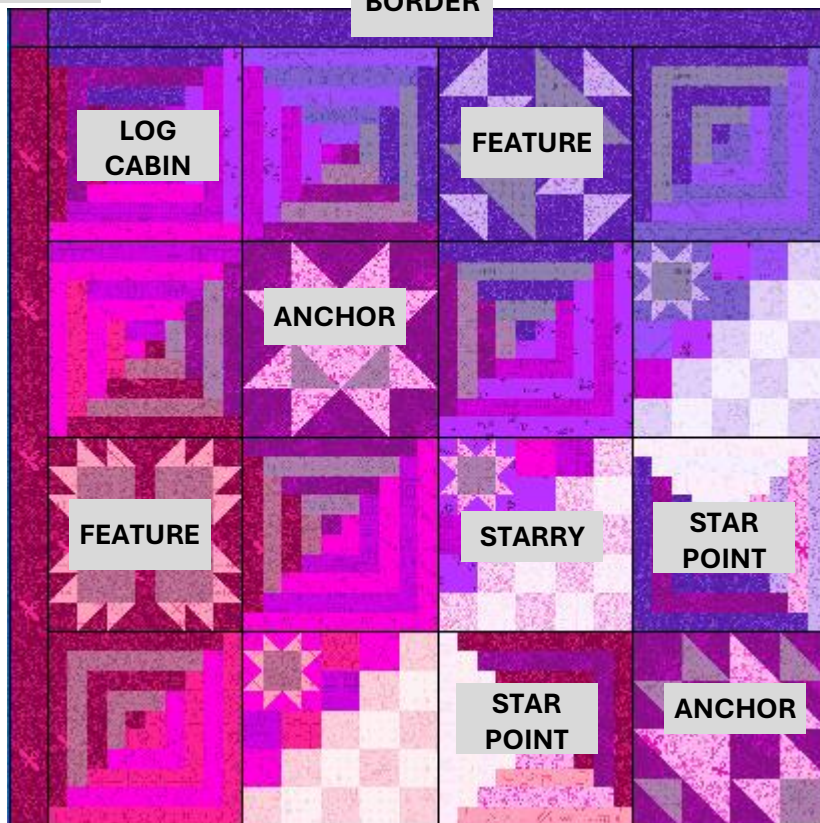

Thank you for adding *Color Compass* to your line up of block-of-the-month quilt programs. This quilt features all of the fabrics in the four color banks—Dusk, Sun, Grove, and Bloom—of Alison Glass's COLOR CAMP 84-piece fabric collection .

The *Color Compass* quilt is designed in FOUR QUADRANTS that coordinate with the fabric collection. (see image below)

Within each quadrant are:
(2) ANCHOR BLOCKS
(2) FEATURE BLOCKS
(3) STARRY BLOCKS
(7) LOG CABIN BLOCKS

BLOOM Quadrant is shown

For the QUARTERLY program yardage requirements, refer to the Color Compass Yardage Charts on pages 4-8. Cut fabrics for each color bank accordingly.

To streamline the kitting, fabric cuts are fat eighths [F8] cut 9 x 22", fat quarters [FQ] cut 18 x 22", and half yards cut 18 x 44". Only **one** fabric is 1 yard (Bandana Cobalt 10428-B) and that is because a fat quarter is needed for the body of the quilt and $\frac{3}{4}$ yard is for binding. If you prefer another fabric such as a stripe or solid for the binding, cut the Cobalt solely as a fat quarter when preparing the Dusk Quarterly Kit.

For the TWELVE PART program, refer to the TWELVE PART CUTTING GUIDES on pages 9 and 10.

On this guide "rem" means "remaining fabric from previous months". Please emphasize to your participants that they should save any leftover fabrics because they may be needed in subsequent months. This is also noted repeatedly throughout the pattern instructions.

Also, yardage totals are provided for each month to assist in determining shipping costs.

IMPORTANT NOTE: To make fabric identification easy for your participants, attach printed labels to the cut fabric. There are subtle differences in color and repeated print patterns so it's easy to get things mixed up. The yardage charts with thumbnails will also be included in the pattern booklet.

Finally, if you have questions, please don't hesitate to contact me.

Sew on!
